DEDICATION SHEET

I am proud to present this thesis to:

1. My beloved mother Rofiatul Badriyah, my first love, without whom I could not have been born and footed in this world, because she is the one who becomes incandescent in times of darkness, trembling in times of silence and hope in times of despair.
2. My father, Abdul Aziz and Karnoto, there is no distinction between you, you are a father who always provides valuable motivation, life lessons on how to be a real man.
3. My beloved sister, Riski Ramba Adi Putri, who has motivated me in the world of education, thank you for being a shoulder when I am tired.
4. My dear fiancé, Malika Sari who has accompanied me so far, your presence is so precious that it can color my every trip, and all my friends who have supported me so far.

ABSTRACT

Irfan, Moh Atho Illah Sihabul. 2024. *An Analysis of Illocutionary Acts the General Lecture given by Mia Khalifa's Oxford University*. Unpublished Thesis. English Literature Departement, Faculty of Letters, Universitas Abdurachman Saleh Situbondo. Advisors: Yopi Thahara, M.Hum. and Firqo Amelia, M.A.

Keywords: Illocutionary Act, Lecture, Mia Khalifa, Speech Act

This study analyzed the illocutionary acts in Mia Khalifa's when she was invited as a speaker at Oxford University. The purpose of this study is to identify the types of illocutionary acts and classify the function of illocutionary acts used by Mia Khalifa in her general lecture.

This study used a descriptive qualitative method. This study used the theories of Yule's (1996) as a reference in the types and functions of illocutionary acts. Researchers also use Spradley's (1980) as a data analysis technique. The source of data for this research was obtained from a video of Mia Khalifa's general lecture uploaded on the Oxford University YouTube channel. The instrument of this research is the researcher himself who collects, classifies, identifies and describes data.

This study found four types of illocutionary acts, including representative which has the function of fact 2 data, assertion 23 data and description 41 data. Expressive which has a 5 data pleasure, 2 data joy and 2 data sorrow function. Directive that has the function of suggestion as many as 9 data. Commissive which has a function that promise 1 data. The total data found amounted to 85 data.

It can be concluded that the dominant type of illocutionary acts used is representative and the dominant function is description. Meanwhile, the type of declarations not used at all and promise functions are the least used by Mia Khalifa. Mia Khalifa delivered the assertion because she explained her experience as a former pornography artist and motivated and encouraged young people not to enter and fall into the pornography industry.

ABSTRAK

Irfan, Moh Atho Illah Sihabul. 2024. *Analisis Tindak Tutur Ilokusi Kuliah Umum yang diberikan Mia Khalifa di Oxford University*. Skripsi tidak diterbitkan. Program Studi Sastra Inggris, Fakultas Sastra, Universitas Abdurachman Saleh Situbondo. Dosen Pembimbing: Yopi Thahara, M.Hum. dan Firgo Amelia, M.A.

Kata kunci: Ilokusi, Kuliah Umum, Mia Khalifa, Tindak Tutur

Penelitian ini menganalisis tindak tutur ilokusi Mia Khalifa ketika diundang sebagai pembicara di Oxford University. Tujuan penelitian ini adalah mengidentifikasi jenis-jenis tindak tutur ilokusi dan mengklasifikasikan fungsi tindak tutur ilokusi yang digunakan oleh Mia Khalifa dalam kuliah umumnya.

Penelitian ini menggunakan metode kualitatif deskriptif. Penelitian ini menggunakan teori Yule (1996) sebagai acuan dalam jenis dan fungsi tindak tutur ilokusi. Peneliti juga menggunakan teori Spradley (1980) sebagai teknik analisis data. Sumber data penelitian ini didapatkan dari video kuliah umum Mia Khalifa yang diunggah di channel YouTube Oxford University. Instrumen penelitian ini adalah peneliti sendiri yang mengumpulkan, mengklasifikasikan, mengidentifikasi dan mendeskripsikan data.

Penelitian ini menemukan empat jenis tindak tutur ilokusi diantaranya, Representatif yang memiliki fungsi fakta 2 data, pernyataan 23 data dan deskripsi 41 data. Ekspresif yang memiliki fungsi kesenangan 5 data, kebahagiaan 2 data, kesedihan 2 data. Direktif yang memiliki fungsi menyarankan sebanyak 9 data. Komisif yang memiliki fungsi menjanjikan 1 data. Total data yang ditemukan berjumlah 85 data.

Dapat disimpulkan bahwa jenis tindak tutur ilokusi yang dominan digunakan adalah representatif dan fungsi yang dominan adalah deskripsi. Sedangkan jenis deklarasif tidak digunakan sama sekali dan fungsi menjanjikan menjadi yang paling sedikit digunakan oleh Mia Khalifa. Mia Khalifa menyampaikan pernyataan tersebut karena menjelaskan mengenai pengalamannya sebagai mantan artis pornografi serta memotivasi dan mendorong anak muda untuk tidak masuk dan terjerumus dalam industri pornografi.
